

Fine Arts

A Program of Study within the Edmonds School District

This Program of Study is connected to the following field(s):

- Arts and Communications
- Business and Marketing
- Engineering and Technology
- Health and Human Services
- Science and Natural Resources

This Program of Study reinforces the following Academic Skills:

- Reading
- Writing
- Mathematics
- Science
- Visual Arts
- Health/Fitness

Description

The Fine Arts program of study engages those capacities most characteristically human including imagination, creativity, the ability to conceptualize and solve complex problems by stimulating thinking skills which are essential to learning. Through this program of study, students will acquire the knowledge and skills necessary for creating, performing, and responding to the Arts. As a result of developing these capabilities, students can arrive at their own knowledge, beliefs, and values for making personal and artistic decisions.

Program of Study Courses (2.0 credits from the following)

Courses within this Program of Study and the schools where they are available are listed below. Courses with an (ID) designation are Intradistrict Course available to all district Juniors and Seniors.
